## EXPERIENCE

### ART SUPERVISOR | DIGITAS HEALTH | JAN 2021–PRESENT

- Create digital and print projects for a broad range of healthcare clients across the HCP and Consumer sectors: websites, CVAs, banner ads, email campaigns, congress booths, interactive modules and presentations, print advertising and sales materials
- Pivot quickly between multiple projects as necessary to create and update design files, graphics exploration, submissions, and production files within desired timelines
- Manage all stages of project flow: initial concepting, collaboration with account and copy, design, internal review, revisions, client and legal/medical review, file prep, and production kit handoff

### CO-FOUNDER, VICE PRESIDENT | RAMBILLO, INC | APR 2012–PRESENT

- Founding partner and co-owner of Rambillo, a print and web design business with a diverse range of clientele, and a specialty in small businesses
- Oversee all creative, with a specialty in branding strategies and graphics standards, tailoring each project to the client's aesthetic and specific business needs
- Co-manage all aspects of an independently-run business: author project proposals and work contracts, create and maintain current project status reports, monitor budgets, prospect for new clients, and run Rambillo's own promotional strategies

### DIRECTOR | RALPH LAUREN ADVERTISING | NOV 2007–MAR 2015

- Directed creative for many brands under the Ralph Lauren umbrella:  
 Ralph Lauren Watches, Ralph Lauren Stores, Ecommerce, Corporate, Ralph Lauren Home/  
 Ralph Lauren Paint, Polo, RL Golf, RLX, Childrenswear, Lauren, American Living
- Concepted and designed luxury level retail mailers, invitations, eblasts, and storefront hoarding for Ralph Lauren Stores worldwide, with a primary focus on new store openings and special events
- Other key concepting projects: national advertising for Ralph Lauren Watches; creating the first Watch Catalog; designing the first Ralph Lauren Craftsmanship Mailer; storyboarding and designing seasonal Ralph Lauren "Magalog" editorial stories; redesigning instore RL Paint displays for Sherwin-Williams; annual corporate holiday cards from RRL Ranch and the Lauren Family
- Presented creative to Mr. Lauren and senior executives
- Edited and marked up photo shoot imagery for external retouching; directed process and approvals for final advertising selects
- Managed print and online projects, from concept to approvals to deliverables, as creative traveled through advertising, marketing, production, all product divisions, and 3rd party client

### DIRECTOR, GRAPHIC DESIGN | FRED ALGER MANAGEMENT, INC | NOV 2002–MAR 2005

- Directed all corporate, marketing and sales collateral for a private asset fund company
- Managed and taught a backup staff, developing design sensibilities as well as basic software and production skills
- Acted as sole liaison with print and production vendors: quoted projects, selected papers and inks, ordered comps, and released prepress and mechanical work
- Created design systems that instantly merged monthly performance data into bespoke templates

## ADDITIONAL EXPERIENCE

### FUNCTION THRU FORM, INC

Designed and produced textbooks, manuals, and other visual aids for major publishers of children's educational materials; illustrated supplemental artwork per project demand

### WARHAFTIG ASSOCIATES, INC

Designed and produced B2B promotional/sales collateral for Fortune 500 companies in healthcare, financial and radio markets; built traditional comps, mechanicals, and coordinated prepress/art release; led key efforts to drive studio process to a modern, digital environment
